Description of Request

QUESTION:
What should the handing on door 105, 203, 303, and 403 be? Please note these doors will swing out as they are insulclad doors.

Respond By: 03/22/12 By: TIM THOLT

Response

Hinge on the south side of the frame and will swing out. If my handing knowledge is correct this would make it a right hand reversed handed door.
